

The **Ohio History Connection** seeks **AmeriCorps Members** for their AmeriCorps program, the **Ohio History Service Corps**.

Ohio History Service Corps members provide service to Ohioans each year in the categories of historic site survey, collections digitization, and capacity building for local historical organizations. The latter includes volunteer recruitment and management, event planning, convening partnerships, K-12 education outreach, and more.

The Ohio History Service Corps program has two components: Local History members and Community Surveyor members. Each of these AmeriCorps volunteer groups will help local organizations put history to work in their community.

Interested in joining the Ohio History Service Corps? We're now accepting applications for our 2018-2019 program year, beginning in September! We have positions sites in the Athens, Cincinnati, Cleveland, Columbus, Oberlin, Portsmouth, Sandusky, and Youngstown areas.
