

Volunteer Photographer Application Form

NCPH is looking for several photographers to document the 2016 Annual Meeting held in Baltimore, Maryland on March 16-19. You will attend sessions and tours and take photographs, which you will then share with the NCPH office. Unlike our other volunteer positions, you don't need to be a graduate student to participate. Volunteering as a photographer includes a complimentary conference registration.

Requirements: Volunteers must be a member of NCPH, have experience with event photography, be able to attend several key events, be capable of taking high-resolution images, and be willing to share their photos after the conference by Monday, March 21, 2016. Photographers will take photos during the entire conference, but each photographer will be assigned several key events to cover. See our photography guidelines for information on events that we'd like covered.

Please fill out the following form completely. You may email the completed form to Nick Johnson, Volunteer Coordinator, at nickjohn@iupui.edu. Please use the subject line "Photography Baltimore." Volunteer applications are due January 13, 2016.
