General Registration

Q: What does my conference registration include?

A: A full conference registration includes access to all working groups and sessions, the exhibit hall, the public plenary, the poster session, and other non-ticketed events. Registrants also receive a conference *Program* and badge. Special experiences such as workshops, tours, and meal events may require additional fees. Visit the [NCPH Annual Meeting webpage](#) and check the preliminary [Program](#) for more information about these events as they become available. Q: I am a Patron Member/Volunteer/Exhibitor, how do I claim my complimentary registration?

A: If you are a patron, volunteer, or exhibitor, please email ncph@iupui.edu to receive your complimentary registration code.

Q: Who can be considered a “guest”? How do I register a guest?

A: A guest is an individual who would not otherwise attend the meeting except to accompany the attendee. There is an option to add your guest(s) during online registration for a guest fee of \$38. Guests may also attend events, tours, and workshops but they will need their own ticket(s).

Q: Why do some events and workshops cost an additional fee?

A: These additional fees cover event-specific costs like transportation, food, and entrance or facilitator fees.

Q: Can I register for the conference if I am not an NCPH member?

A: Yes, registration is open to members and non-members. However, members receive access to a discounted registration rate and save up to \$50.

Q: Do you offer a one-day registration rate?

A: Yes, a one-day rate of \$118 is available through February 13, 2019 and increases to \$138 after February 13, 2019. One day registrants may only attend events on the day they indicate during registration.

Q: I just want to attend one session; do I have to register for the whole conference?

A: You may register for the discounted one day rate and indicate which day you will be attending. If you accidentally select the incorrect day upon registering, you can email neph@iupui.edu to provide the correct day.

Q: Can I get a scholarship or award to cover the cost of attendance?

A: We offer five travel grants for graduate student members and two travel grants for new professional members to attend the conference. To learn about these and other potential cash prizes, consult the [NCPH awards page](#). Students should contact their advisor, department, student government, or other campus associations to find out if they provide travel grants for conference attendance. Professionals should consult their employers for available funding opportunities.

To save on registration costs, be sure to register during the early bird registration period, which lasts through February 13, 2019. You can also save money by using our [room and ride share board](#) and by booking a [discounted room](#) in the NCPH block at the Marriott Hartford Downtown. The discounted rate is available until March 6, 2019 or when the block fills, whichever comes first.

Paying for your Registration

Q: What are my payment options?

A: Credit and debit cards (through the [online registration](#)) as well as checks (mailed with the **paper registration form** that will be released publicly in November and made out to "NCPH") are accepted.

Q: Can I become an NCPH member (or renew my membership) and register for the conference at the same time?

A: Yes, click **continue shopping** after adding your membership or conference registration to your shopping cart (access the shopping cart by clicking **register now** to confirm your registration) and then add other items to your cart. You will receive the

member price for your conference registration, but this discount will not be applied until you reach the payment page.

Q: Can I register for the conference and make a donation at the same time?

A: Yes, click **continue shopping** after adding either your donation or registration to your shopping cart in order to add other items before checking out. Thank you for supporting NCPH!

Q: What if I want to sponsor an event or advertise at the meeting?

A: You can purchase sponsorship or advertising opportunities when you register. These options will be made available when you click the **continue shopping** tab as well as in the **Marketing at the 2019 Annual Meeting** tab. Learn more about these opportunities [here](#). Exhibit booths come with two complimentary conference registrations, making them a good choice for institutions and organizations sending multiple attendees to the conference.

Q: Can I get a receipt or invoice?

A: Yes. If you register online, a receipt will be automatically emailed to you. If you register via mail, we will email you a receipt as soon as your payment has been processed. Invoices are also available by contacting our office at ncph@iupui.edu or (317) 274-2716.

Q: Is it possible to purchase tickets or register onsite in Connecticut?

A: Yes. You must register onsite if you've missed the regular registration period ending March 13. Some tours, workshops, and event tickets may be available for sale onsite, but pre-purchasing your tickets is the only way to guarantee a spot as these opportunities often sell out in advance.

Q: Can I get a refund if I am unable to attend?

A: Refund requests must be submitted in writing via fax or email no later than March 13, 2019. **Fax:** (317) 278-5230 **Email:** ncph@iupui.edu

- 100% refund of registration fee (minus a 20% admin. fee) will be issued if cancellation request is received by February 13.
- 50% refund of registration fee will be issued if cancellation request is received between February 14 and March 13.
- No refunds will be issued for requests received after March 13.

Using the Registration System

Q: How do I register?

A: You can register online with a credit card or send a **paper registration form** (which will be released publicly in early November) with a check, made out to NCPH.

To register online:

- Select the appropriate registration fee (full conference, student full conference, or single day) and follow the system prompts to the next page to add additional information.
- Now, choose any additional “**sessions**.” These are events, tours, and workshops, which our online system calls “**sessions**.” (All breakout sessions and working groups are included in the registration fee). You may also add these items at a later time, but keep in mind that some events fill up quickly.
- At this point, you can add a guest (optional). A guest is an individual who would not otherwise attend the meeting except to accompany the attendee.
- Finally, checkout with a credit or debit card.

Tip: On the registration page, you can read a description of each tour and workshop when you click on the **sessions** tab at the top of the page!

Q: When can I register?

A: Presenters should register during the pre-registration period from mid-September through November 3.
