Program

The Preserve WV AmeriCorps program is Preservation Alliance of West Virginia's statewide National Service initiative where members help main streets thrive, help communities capture their local history, and help preserve beloved West Virginia landmarks. This grant-funded, AmeriCorps State program's purpose is to increase economic and community development in West Virginia through historic preservation, heritage tourism, and capacity-building projects.

Service sites

Members are placed for a year at individual nonprofit organizations and government agencies across the state. Preserve WV sites range from museums and archives to Historic Landmarks Commissions and Main Street organizations.

Benefits

- Gain valuable experience
